

Let's Connect

Community Schools are all about bringing people together and creating supportive relationships. During this time of physical distancing we wanted an opportunity to connect with you in a fun and creative way.

LTCES invites you to design and contribute a puzzle piece...
Let's Connect!

STEP 1. Print a copy of the puzzle piece found on page two of this .PDF

STEP 2. Design it however you like. It could be an expression of the way you feel during this time, or whatever inspires you.

STEP 3. Scan, or take a photo, and email to: info@LTCES.ca, along with your name, age (if you wish), and where you are from.

STEP 4. We will send an email once your puzzle piece is added to the design at: www.LTCES.ca/letsconnect

Everyone is welcome to participate!
